RELEVANT PROFESSIONAL EXPERIENCE

Boston Consulting Group (BCG X)

Singapore, Singapore

Project Consultant | AI & Digital Transformation

Nov 2021 - Jul 2025

- Led **5+ enterprise digital and GenAI pilots** from use-case discovery and workflow design through launch and adoption measurement, coordinating client operations, product, agency and technology-partner teams across **Asia and Latin America**.
- Designed **GenAI chatbot and service-automation journeys for three major telecommunications companies**, translating customer-service workflows into prioritized use cases, requirements, test plans, success metrics and rollout recommendations.
- Drove GTM analysis and market activation for **Meta's Click-to-Messenger ads across Southeast Asia and Latin America**, using product, customer and funnel data to improve adoption and conversion.
- Partnered with **Jumper.ai, Haravan, aCommerce and ZWIZ.AI** to redesign chatbot journeys, **increasing engagement by 20% and conversion from 3% to 11%** through A/B testing, personalization and funnel optimization.
- Built KPI frameworks and executive dashboards in Excel/VBA, Alteryx, Tableau and Power BI; across separate growth engagements, insights contributed to **4x customer-acquisition growth and a 54% reduction in CAC**.

Outthinker Networks [HBR Article]

New York, NY

Strategic Growth & Analytics Lead (Part-time)

Nov 2021 - Feb 2025

- Launched and built a global strategy network from 0 to 35 members, connecting innovation leaders from Google, TikTok, Netflix, Amazon, BCG and McKinsey.
- Contributed research to the **strategy book Proximity** by Kaihan Krippendorff and Rob Wolcott (**acknowledged contributor**), with related organizational-strategy research **published in Harvard Business Review**.

Columbia Climate School

New York, NY

Founding Associate | AI Product Strategy & Partnerships

May 2025 - Present

- Conceived and pitched a GenAI decision-support product for cities and policymakers, building on Columbia's Disaster Genome; led validation with NYC, Amman and UNU-MERIT, helping strengthen the case for **\$200K** in prototype funding.
- Developed the business case and **MVP roadmap** and now **own prototype planning** and cross-functional delivery across stakeholder and technical teams.

SELECTED STRATEGY & FOUNDER EXPERIENCE

Helka Energy Impact

New York, NY

Strategy Fellow | Market Entry

May 2026 - Jul 2026

- Built the Zambia market-entry strategy for private anchor-load mini-grids, screening 10 provinces across demand, grid risk, O&M feasibility and deployment complexity to prioritize 3 markets.
- **Designed a five-factor site-underwriting scorecard**, informed by analysis of 8 energy-access ventures, translating demand, payment, governance and operational risks into quantitative go/no-go investment criteria.

Columbia Business School

New York, NY

AI M&A Strategy with Oaklins DeSilva+Phillips & Accenture

Jan 2026 - Jun 2026

- Mapped the enterprise AI landscape and evaluated 150 acquisition targets across strategic fit, product capability, differentiation and scalability, identifying market whitespace and shortlisting 6 companies.
- **Developed a three-level Agentic Autonomy framework** to evaluate AI companies by decision-making and execution capability, strengthening acquisition recommendations presented to client leadership.

Cali India

Mumbai, India

Founder | Side Venture

Jan 2024 - Jun 2025

- Founded and built Cali from **concept to launch**, onboarding 30+ local fashion brands to expand visibility and commercial opportunities for home-grown labels; generated **1M+** content views.
- Used customer demand insights to co-create and launch an exclusive collection with a Sri Lankan designer, driving **3x growth** in monthly orders.
